...ding a factory-made ...sure that it is not ...combustible materials ...dequate flame and ...

...the damper before ... fire and keep it ...the ashes are cool. ...vert the build-up of ... gases, especially ...family is sleeping. ...er use gasoline, charcoal lighter or other fuel to light or relight a fire because the vapors can explode. Never keep flammable fuels near a fire. Vapors can travel the length of a room and explode.

5. Do not use coal or charcoal in a fireplace because of the danger of carbon monoxide build-up. It is not a good idea to burn trash or wrappings in fireplace fires because polystyrene form and other coated materials can generate deadly flames. Flying paper embers could also ignite the roof.

6. Do not treat artificial logs like real logs. Artificial logs are usually made of sawdust and wax and have special burning properties. Be sure to read the instructions on the logs and follow them carefully. Use just one log at a time and do not add another log until the fire is completely out. Never add an artificial log to a natural wood fire that is already burning. Wait at least two hours before adding an artificial log to a natural log fire because it could cause a flare-up. Do not poke artificial logs because the flaming wax could stick to the poker and drop onto the floor or carpet. Poking a log could also cause a flare-up.

7. Home rolled newspaper logs should never be soaked in flammable fuels of any kind because of the severe danger of explosion. Soaking the newspaper in water either before rolling or during rolling removes the clay content and will provide a better burning log. Then, stack the logs on end and let them dry for two weeks in the basement. When lighting the newspaper logs, use kindling just as you would for a regular fire.

8. Do not overload the fireplace. Large fires can lead to overheating of wall or roof materials, particularly if the fireplace is contructed of metal.

9. Always use a screen around the fireplace to keep sparks from flying out and to protect children and adults from accidental clothing ignition.

10. Warn children about the danger of fire. Do not let them play with fire.

11. Keep flammable materials such as carpets, pillows, furniture or papers away from the fireplace area.

12. Make sure that the fire is out completely before retiring for the night or when leaving the house.

R. E. Lee Students Make "BIG" Snowman

On Wednesday, January 29th, the students at Robert E. Lee Christian Academy spent their recess making a snow sculpture. The snowman stood 6½ feet and was 7½ feet around. Quite a BIG snowman!

Rally Set At Salem Meth. Church

Bruce Mitchell from Harri-sonburg will be the guest speaker at a three-day Rally at Salem Methodist Church in Spout Spring on February 14 through the 16th beginning at 7:30 p.m. each night. The Rally will help to spread God's word throughout our country.

Brother Mitchell was born and reared in the Pittsburgh, PA area. A Presbyterian by birth and tradition, he gave his heart to the Lord in a Baptist Church in 1958.

He is a graduate of Sterling College (Presley) In Kansas and has attended the seminary of the University of Dubuque (Presley) in Iowa. While serving Methodist Churches as a student pastor, he joined the Methodist Church, and was ordained in the North Iowa Conference. Brother Mitchell has served as pastor of both Presbyterian and Methodist Churches in five states.

After receiving the Baptism in the Holy Spirit he found the Lord ministering by His Spirit through him in wonderous ways.

In January 1966, Brother Mitchell answered the Lord's call upon his life to enter into a full time evangelistic ministry. He resigned his Methodist Church and as an Evangelist has traveled by faith throughout much of the United States ministering the Word of God with the Lord confirming the Word.

Special music will be presented on Saturday night by "The Revelations", a group from Altavista and on Sunday by Stan Shiplett from Harrisonburg.

RECIPE OF THE WEEK
Gingerbread

2½ cups flour
1 teaspoon salt
½ teaspoon soda
1 teaspoon ginger
1 teaspoon cinnamon
½ teaspoon cloves
½ cup shortening (cooking oil)
2 eggs,
1 cup molasses (dark)
1 cup sugar
1 cup hot water

Buttermilk Icing

1 cup sugar
½ cup buttermilk
1 stick margarine
½ teaspoon soda
1 tablespoon corn syrup (dark)
½ teaspoon vanilla

Pour oil into mixing bowl and add spices, sugar and molasses. Dissolve soda in hot water. Add this and the flour to the first mixture. Add unbeaten eggs and beat until well mixed. Bake 30 to 35 mins. at 350 degrees.

Icing: Mix sugar, butter and dark corn syrup; then add soda which has been dissolved in buttermilk. Boil 2 minutes. Pour on gingerbread while hot.

HENNY PENNY EXTENSION HOMEMAKERS CLUB

The Henny Penny Extension Homemakers Club met with Mrs. Ora McCoy on January 22nd.

The demonstration of the month on "Home Repair, and Tools", was given by Mrs. Shirley Walton, our Home Extension Agent. This demonstration was very helpful and interesting to everyone who attended.

We were also pleased to have Mrs. Virginia Doss and Mrs. Johnson with us.

Our hostess, Mrs. McCoy served very tasty refreshments, and we would like to thank her for her hospitality.

Martha Watkins, Reporter

Jehovah's Witnesses Conclude Assembly

Jehovah's Witnesses of the local area will resume their normal meeting schedule after attending a spiritually upbuilding two-day assembly at Martinsville High School.

The convention, which included lectures and demonstrations, was the first of three Bible training and learning clinics Jehovah's Witnesses sponsor annually. "Exercising Faith and Reliance on Jehovah" a talk by C. P. Hamolka, emphasized the importance of Christian Faith and endurance and gave applications that are practical for modern Cristians. Another talk, "What Is in Your Children's Hearts?" pointed out those parents have the responsibility to communicate with their children.

On Sunday morning, 51 new ministers were ordained.

An audience of 1652 listened as P. A. Allen spoke on the theme, "Stand Still and See The Salvation of Jehovah." In the address, Allen discussed the Bible term "Battle of Armageddon." He stated the issue that triggers the battle, the place the battle will be fought and who the survivors will be. The talk was an application of the principle stated at 2 Chronicles 20:17 and also of the gist of the Christian Scriptures.
